Feeding Instructions

Consent	Initial
All patients must be free of external parasites. Animals with fleas and/or ticks present will be administered a preventative at the owner's expense.	
Patients will be given a probiotic while boarding at no additional charge.	
I give permission for my pet to be given anti-anxiety medication if needed for an additional fee.	
For the protection of our patients all dogs being admitted must be current on rabies canine distemper, and bordetella vaccines All cats must be current on rabies vaccines If necessary an exam will be performed and vaccines will be given per the veterinarian's approval	
Pets may be picked up and dropped off during regular business hours only Mon-Th 7:30am – 6:30pm or Friday 7:30am-4:00pm.	
Please note: Our hospital is NOT staffed 24 hours a day. However, your dog will be leash walked three times a day and fed twice daily unless otherwise noted. There is an additional charge if your pet is receiving medications while boarding (\$7.98/day). Diabetic boarding is a separate charge.	

Is your pet boarding with any personal items? (Check all that apply.)
